Attendance confirmation — email from ISAPS

ISAPS – APS Journal Club — Hot Topics in Fat Grafting — 30 July 2022 · Dr. Mehmet Sürmeli

The International Society of Aesthetic Plastic Surgery (ISAPS) did not issue a certificate of attendance for this webinar. This document reproduces, word for word, the emails ISAPS sent to Dr. Sürmeli about it (post-session feedback request, which confirms his registration and attendance; ISAPS's subject line names a different topic, but the email itself names this session), as received in his mailbox. Only the web links have been removed and his e-mail address masked; nothing else has been changed. Verification can be requested from ISAPS (memberservices@isaps.org).
